TERMS & CONDITIONS:

Cleaning and Repair Policy: Choice CleanGear assumes that all gear shipped to Choice CleanGear HAS NOT been cleaned unless the customer provides documentation on the Choice CleanGear PPE Service Form that the item(s) have been properly cleaned according to NFPA 1851 and manufacturer standards:

- Customer cleaned items SHALL NOT be worn between washing and shipping to Choice CleanGear.
 - Choice CleanGear reserves the right to perform a Soil Transfer Test (STT) on any item(s) cleaned by the customer to determine if the item meets Choice CleanGear's cleaning and safety standards before being handled by our employees.
 - Items that fail the STT will be cleaned and billed at our then current Level 1 cleaning fee.
 - If unprotected dirty items are dropped off or shipped in the same box/bag as clean items, then ALL items in the bundle or box will be cleaned.
 - Choice CleanGear will not perform Advanced Inspection services or prepare Estimates on items that are not clean.
 - Choice CleanGear employees are authorized to re-submit customer cleaned items to be cleaned if it is determined that the item is not safe for handling.
- **NFPA 1500:** Standard on Fire Department Occupational Safety and Health Program.
